SECTION 1: Hand Spinning

This section will judge spinning of alpaca and alpaca blends. It will differentiate between huacaya and suri in the lace weight classes only.

Conditions

1. A staple of original fibre(s) or sample of tops, sliver etc. must be attached to all exhibits. Entries for all categories may use commercially combed or carded fibre. However, judging points for preparation (where applicable) will not be awarded to skeins using such commercially prepared fibre.
2. State intended purpose of yarn.
3. All classes are open to white or naturally coloured yarn, except where stated.
4. Judging will be based on:
 - Fleece and yarn for end use.
 - Degree of twist in single and ply.
 - Spinning system employed (woolen or worsted).
 - Evenness of spin and ply.
 - Washing, scouring and presentation.
5. Please attach the Exhibit Identification Ticket using a safety pin.

6. Work must have been completed within the last 12 months and not shown at a previous AAA National Show.

7. Skeins to be presented in one or two skeins. Make sure they can't be separated from each other, or their tags and samples.

8. In presentation, make sure the skeins can be examined, so ensure they have sufficient ties, and can be opened out by the judge.

Definitions

ALPACA:

The natural fibre of the alpaca, which is a South American camelid. There are two types of fleece. The suri has a fleece that forms long lustrous locks, and the huacaya which forms fleece in bundles of crimp soft fibre.

ARTICLE:

Articles are knee rugs, scarves, shawls or wraps, socks, beanies, hats. Where a class calls for an article, this means one (1) article only, e.g., 1 scarf, 1 pair of socks.

BLENDS:

These can be fibres that are used in conjunction with alpaca to create different effects with the yarn. They may include silk, cashmere (cashmere goat), wool (sheep), mohair (angora goat), bamboo, tencel, nylon glitz, thrums (loom waste) or silk noils.

COMMERCIAL YARNS:

Those yarns that have been purchased by the Exhibitor. They have been commercially manufactured. In classes where these are permitted, attach to the exhibit a sample of the yarn and any tickets or labels that were supplied with the yarn.

FELTING:

The application of heat, agitation, water and soap to natural fibres to produce a fabric. Nuno felting uses this technique to felt fibres onto a cotton or silk fabric such as gauze or muslin.

GARMENT:

A garment is an article that can be fitted onto the adult body e.g. dress, skirt, slacks, jacket, jumper, cardigan, vest.

NOVICE:

A craft person with less than 12 months experience in the craft specified by the class.

SAMPLE:

Where commercial yarns are permitted, a sample must be attached, with any labels (ball bands etc.) from the yarn.
