## **2022 National Alpaca Show**

### **Update #10 – July 2022**

## **Extension to Entries**

A huge thank you to Amanda Ford at the RA&HS of SA who has generously allowed the AAA to defer the closing date for entries into the National Alpaca Show.

This is in response to the incessant rain that is causing disruption and distress for so many of our members in the eastern states. As a consequence, it is difficult for them to make show team selections as the health and welfare of their alpacas is of course, taking precedence.

**National Alpaca Show entries will now close at  
midnight on Sunday 17<sup>th</sup> July 2022**

Final numbers are now required by RA&HS at 12 noon on Monday 18<sup>th</sup> July 2022 – I think it will be a late night for me ... !!
