2022 National Alpaca Show

Update #15 – July 2022

Sponsorship Update and **Opportunities for YOU**

Well entries have closed for the National Alpaca Show – and what a great result ... !! With a flurry of email enquiries and entries right up until the “final bell” you had me worried ... but I am delighted to announce that we have:

- 63 exhibitors
- 313 halter entries
- 121 fleece entries

While these may not have been the numbers we have seen in the past, given the recovery our members are making from covid, flood and fatigue, I am delighted with these entry numbers.

I am looking forward to being able to say “Welcome to the Reunion” – we are going to have some fun ... !!

Now the real work begins ... !!

As you know, we have the great privilege to have our National Alpaca Show hosted by the Royal Agricultural and Horticultural Society of South Australia (RA&HS of SA) this year, as part of the Royal Adelaide Show. This has afforded us the luxury of a safe and secure venue, with the support of experienced staff and the bonus of an extensive public audience.

Even with this in place, we will still need the support of our members to make this the amazing event that we know it can be ...

Ashbourne Alpacas will be hosting our Nibbles and Drinks event in the Show Ring on the Saturday evening after the conclusion of judging, for which we give them a huge “thank you”. (Additional tickets are also available for this event for your visitors and guests – please go to the “Shop” page of the AAA website to purchase additional tickets.)
