

Australian Alpaca Association Ltd

2022 National Alpaca Show

Update #16 – July 2022

Secure Parking for Halter Exhibitors and Industry Expo Sites

To our many enthusiastic halter exhibitors at the upcoming National Alpaca Show ...

The information about how to book your secure parking at Morphettville Racecourse has just been sent to me:

Please see below the link for Exhibitors to purchase a truck park at Morphettville.

<https://entries.theshow.com.au/Home>

I have created a class in the Alpaca Competition. Exhibitors will need to create an account to be able to purchase this carpark.

Once an account has been created they will click Add Entry, Livestock, Alpacas, Create Entry, Pay & Submit. Follow the prompts, Change the quantity to the number of days parking will be required for.

This will be open until 5pm Friday 22 July.

For those who have not been to Royal Adelaide Show before, it does not have a dedicated exhibitor parking area. There are a number of parking options, ranging from street parking, parking at your accommodation (if possible) or the secure parking at Morphettville Racecourse for floats and trucks, which includes 24 hour security.

There may be limited spaces available at Morphettville Racecourse, so please make you bookings sooner rather than later, if at all possible ...
