Failure to present such advice of inspection will result in disqualification of the animal.

Ear tags must be cleaned prior to show to assist ease of reading by the Stewards.

The Chief Steward will classify all entries for age, sex and colour and has the power to transfer an exhibit to the correct class. The chief steward will combine or split classes as he/she sees fit.

The inspection of animals will commence on Friday and be completed by 8.30am on Saturday.

Alpacas not in their allocated pens and available for inspection by 07:30 a.m. may be disqualified by the Chief Steward. Exhibitors MUST be in attendance at the time of the inspection and will be required to assist.

Exhibits of Huacayas must carry a minimum fleece length of 50mm and a recommended maximum length not exceeding 130mm. The minimum fleece length for Suri is 75mm and fleece length will be assessed by the judge.

Any Alpaca found to have lice infestation must be removed from the showground immediately along with any other alpacas present that belong to the same exhibitor.

## ANIMAL WELFARE

- a. If an alpaca at a show exhibits signs of ill health, as determined by the exhibitor or a steward, the Chief Steward must be notified immediately.
- b. If a judge has concerns about the condition or health of an alpaca that presents in the show ring, they must advise the Chief Steward as soon as is practicable.
- c. The Chief Steward will liaise with the exhibitor in evaluating the need for veterinary assistance, which, in the event of an obviously sick alpaca, will be called immediately. The Chair of SJC will decide as to whether all other exhibitors should be notified of the cause of illness.
- d. If an alpaca dies during the event the exhibitor will be required to obtain a post mortem report as to the cause of death. This report will be forwarded to the Chair of the Showing and Judging Committee as soon as possible. The Chair of SJC will decide as to whether all other exhibitors should be notified of the cause of death.
- e. At any time that a vet is called to an alpaca during a show the Chief Steward or Convenor will include details of this in their Post Show Report submitted to the Showing and Judging Committee.

## EXHIBITOR'S MEETING

- at the discretion of the judge or ring steward.

All exhibitors must be organized with their animals and must try to keep up with what is going on in the show ring. If any exhibitor is not organised, stewards may consult with the Chief Steward to disqualify that animal in that class. This is to ensure a continual flow throughout the day of the show.
