You will be navigating, plotting, looking for clues, and following instructions along the way. There will be all sorts of twists and surprises, but unlike the TV show, nobody gets eliminated.

**What do I need?** Firstly, it is one vehicle per team. All vehicles must be registered, road worthy and of course, you will need a great sense of adventure.

**What is supplied?** Other than an excellent time, all maps, notes, etc. are provided for each vehicle.

Presentation will be at the conclusion of the challenge with a BBQ LUNCH provided in your entry fee.

**Where do we start and finish?** The starting point will be in the morning in the Emerald area, and you will finish on the Mornington Peninsula.

**Will the challenge be difficult?** Don't worry! You will receive notes prior to the event with the rules, on what to do and what not to do, hints, tips, and some basic navigating information to help you complete the challenge. Also, we will be on hand at the start should you get stuck.

**How long will the challenge take?** We expect it to go for about 4 to 5 hours followed by lunch.
