WELCOME TO THE NATIONAL SHOW

ANDY
BOUSIE

Vice President, Australian
Alpaca Association

Welcome to the National Alpaca Show, where we come together to celebrate the excellence, diversity and continued growth of the Australian Alpaca industry.

Whether you are exhibiting, judging, volunteering or simply here to enjoy the event, we are delighted to have you with us for what promises to be another memorable showcase of our finest alpacas and the dedicated people behind them.

This event is more than a competition- it is an opportunity to connect with friends, make new connections and share the passion that unites our alpaca community. We extend our sincere thanks to our sponsors and organisers whose commitment, hard work and dedication have made the 2026 National Alpaca Show possible.

We wish every exhibitor the very best of luck in the judging ring and hope everyone enjoys the camaraderie and celebration of excellence that makes this such a special occasion.

Best Regards
Andy Bousie

AAA - VP

MARK
GUMBLEY

President, Australian Alpaca Association

On behalf of the AAA, it is my absolute pleasure to welcome you to the 2026 AAA National Alpaca Show.

We know the past twelve months have presented significant challenges for many, from difficult seasonal conditions and rising costs to the everyday pressures facing agricultural businesses. Your commitment to supporting our National Show, is a wonderful demonstration of the passion, resilience and camaraderie that makes our alpaca community so special.

Thank you to all the exhibitors who entered, whether you have travelled from just down the road or crossed the country to be here, thank you for making the journey.

Thanks to everyone involved. Events of this scale do not happen without an extraordinary team working tirelessly behind the scenes. Many of you have dedicated months of planning, preparation and countless volunteer hours to ensure every detail comes together. Your generosity, professionalism and willingness to give your time are what make this event possible, and our Association is incredibly grateful for everything you do.

To everyone visiting the show, whether you are a long-time member, a first-time exhibitor, a prospective alpaca owner or simply curious about our wonderful industry, I hope you enjoy everything the National Show has to offer.

This year also marks the exciting return of the AAA National Elite Auction. After several years away, we are delighted to once again provide a platform showcasing some of Australia's finest genetics. I encourage everyone to take the opportunity to inspect the selected lots, attend the auction and soiree and support what promises to be a fantastic evening celebrating excellence within our industry.

While we're disappointed that circumstances prevented our Fibre Craft Competition from proceeding this year, we're thrilled that the Art & Photography Competition has returned. The creativity within our membership is something truly special.

Above all, I hope this weekend reminds us why we are all here; not only to compete, but to learn, reconnect with old friends, make new ones and celebrate the incredible Australian alpaca industry we have built together. Thank you for being part of the 2026 AAA National Alpaca Show.

I look forward to seeing you throughout the weekend.

Warm regards,
Mark Gumbley

MARY-JO SMITH
(UK)

I was raised in rural Northern Alberta, Canada. After graduating from St. Francis Xavier University in Nova Scotia in 2000 with a business degree, I moved to England and joined my aunt, Joy Whitehead, at Bozedown Alpacas.

Since entering the alpaca industry, I have been committed to expanding my knowledge and experience across all aspects of alpaca breeding, management, and evaluation.

I have been actively involved in herd development at Bozedown Alpacas, helping to build a high-quality herd of both Suris and Huacayas, and have travelled internationally including Peru, Australia, and the United States to select breeding stock from leading herds worldwide.

I have played an active role in the UK alpaca industry, including organising and supporting major events such as the British Alpaca Futurity, Alpaca Showtime, Alpaca Classic, and the BAS National Show. I also served for two years as a board member of the British Alpaca Society.

I have assessed thousands of alpacas through both breeding selection and judging experience and have been a qualified alpaca judge in fleece and halter since 2010.

I have judged across the UK, mainland Europe, Canada, and Australia, including multiple appointments at the BAS National Show. I am also actively involved in the BAS judge training program and enjoy sharing knowledge through seminars and education initiatives.

I am a strong advocate for continued education and regularly attend industry seminars and clinics to further develop my judging and industry knowledge.

I remain passionate about alpacas and committed to their ongoing improvement and the continued development of the industry

Show Convenors

Rebecca & Darren Hard

National Show Convenors

This year promises to be another great year for the Australian Alpaca Association's preeminent show. With strong entries across Halter, Fleece, Art & Photography and our Young Judges event, it is exciting to see such passion for our industry coming from all corners of Australia.

As our first year convening the National Show, we have many people to thank. Prior convenors Maddy Bissels and Jonathon Provis-Vincent, have been incredibly generous with their time and knowledge passing over the baton to us and helping to make the transition seamless.

Our Show Committee: Sam Hood, Tanya Wheeler and Shane Carey have been dedicated to delivering another wonderful show that showcases all that our industry has to offer, and we cannot thank them enough for all of the incredible hard work that they have put in over the course of this year.

This committee together with Fleece Convenor - Jillian Elwers, Art & Photography Convenor - Sharon Dawson and Youth Convenor - Katy Armson-Graham, are excited to bring fun and competitive events for all members. Once again, we are incredibly appreciative of our convening team's support and effort in delivering these great competitions.

Although this year has been one of many challenges for the farming community, we must thank all of the exhibitors, sponsors and volunteers for their massive support which has enabled this year's show to run. We in particular want to thank the AAA Board for their ongoing encouragement and support shown to our committee.

This year has delivered on many new initiatives including discounted entries for new exhibitors, free commercial fleece entries and an opportunity for our members to showcase their businesses; be it alpaca garments, yarn and fibre, animal husbandry products and animal art. Not to mention, enabling our sponsors to showcase their brands to the international market.

This year we are also thrilled to have the AAA National Elite Auction return to the Show and look forward to seeing the healthy bidding on Saturday night along with our Soiree.

We wish all exhibitors the best of luck for this year's show. We hope the social events are just as memorable as the camaraderie in the showing. And of course, we cannot thank our judges for their professionalism and expertise in critiquing our alpacas and encouraging us all to continue to push the boundaries of breeding and to ensure the ongoing quality of the Australian Alpaca Herd. Enjoy!

Fleece Show

Young Judges

JILLIAN ELWERS
CONVENOR

Jillian Elwers of All Aces Alpacas has been involved in the Australian alpaca industry for 28 years and has a keen interest in fleece quality and education.

She has been actively involved in alpaca fleece shows for many years, contributing in a range of roles including stewarding, judging and convening.

Jillian is pleased to be serving as Convenor of the National Alpaca Show Fleece Competition and looks forward to working with exhibitors, volunteers and officials to deliver a successful event.

She hopes the show provides an enjoyable opportunity to celebrate the quality of Australian alpacas and the dedication of their breeders.

RUBY WILLIAMS (AUS)
JUDGE

Rubey has been involved in the alpaca industry her entire life and represents the fourth generation of her family to work in agriculture. Based in Eugowra in Central West New South Wales, her family operates one of Australia's largest commercial alpaca enterprises, managing more than 1,500 Huacaya and Suri alpacas under the Storybook and Suri Alliance prefixes. Their herds boast impressive genetic ties to the original pioneering Chilean and Peruvian imports and breeding program focuses on commercial sustainability, genetic improvement, fleece quality and supplying international markets.

Alongside breeding and exhibiting alpacas, Rubey is actively involved in large-scale fleece production and the export of Australian alpaca fibre and live animals. She has contributed to exporting more Australian alpaca fibre than any other farm or fibre classing operation in the industry's history, giving her extensive practical experience across both the commercial and show sectors. Rubey holds a Bachelor of Agricultural Business Management from Charles Sturt University, majoring in Agronomy, and brings a balanced scientific, commercial and hands-on perspective to breeding and judging.

She joined the Australian alpaca judging ranks in 2019 after being awarded the inaugural Agricultural Shows Australia National Champion Young Alpaca Judge. A former Junior Handler, Young Parader and Young Judge competitor, she was recognised as the world's youngest fully accredited alpaca judge while attending Alpaca Fiesta in Peru in 2024. Since qualifying, Rubey has judged alpacas and fleeces extensively throughout Australia and internationally, bringing a practical, commercially focused and globally informed perspective to the judging panel. Rubey remains passionate about supporting the continued growth and advancement of the alpaca industry through breeding excellence, education, fleece production and international trade.

JONATHON
PROVIS VINCENT
JUDGE

Jonathon Provis-Vincent has been actively involved in the Australian alpaca industry since 2012, developing a lifelong passion for alpacas, breeding and education.

Attending his first alpaca show at the Ballarat Sheep & Wool Show in 2013 before embarking on his own breeding journey. His enthusiasm for judging began after winning the Champion Young Judge title at the 2018 Royal Melbourne Show.

Since then, Jonathon has continued to expand his knowledge and practical experience across all aspects of the industry; as well as convening the last three National shows. Jonathon is a current Australian Alpaca Association Judge.

With his broad industry experience, enthusiasm for education, and firsthand success as a Young Judge, Jonathon is an ideal mentor and judge for this year's Young Judges Competition. We are delighted to welcome him to the 2026 Australian Alpaca National Show.

Sharon Dawson - Art & Photography Convenor

Sharon Dawson has been breeding alpacas since 2009 and is now combining her passion for animals and art through her new creative business, Canvas Connection.

As Convenor of the National Alpaca Art & Photography Show 2026, Sharon is delighted to bring these two passions together and looks forward to showcasing the outstanding artworks and photography on display in Bendigo.

Mark Short - Art & Photography Judge

Shorty's passion for wildlife has seen him and Dee travel to many countries to gather material to paint, including Peru, Mexico, Costa Rica, Borneo, Madagascar; recently to Africa and soon to India to Photograph Tigers for future works.

Shorty has Judged the National Art and Photography Competition previously in his 33 years of involvement with the AAA National Show and has also judged many regional arts exhibitions in South Australia, the most recent being the Port Elliot art Show 2025.

With many solo art exhibitions under his belt, he has also won awards along the way and is now concentrating on commission pieces.

Young Judge Competition - Katy Armson - Graham

Katy has been deeply involved in the alpaca youth sector for many years and was first introduced to alpacas in 2010 through her high school agriculture program.

As an inaugural member of the Australian Alpaca Youth Committee and now Chair of the Alpaca Youth and Education Committee, she is dedicated to supporting young members in developing their knowledge and skills, and to assisting agriculture teachers in incorporating alpacas into their programs.

OUR FOCUS

HUACAYA:

Dense, well aligned, fine & super fine sub 20 micron fleece across all colour ranges – white, fawn & black.

SURI:

Fine, dense & lustrous black Suri with excellent conformation.

Proudly breeding for the future of the Australian alpaca industry.

Suri Alliance

Taking Suris to the World

Suri Alliance is an international partnership dedicated to reviving the passion for the Suri breed.

- With the impressive genetic backgrounds of *Surilana Accoyo* and *Kurrawa*, the *Suri Alliance* herd is becoming notorious for presenting elite quality alpacas, that are competitive in both long wool and regrowth classes. Claiming back-to-back... (to back) Australian National Supreme Grand Champion Suri titles (2022&23: KURRAWA Man of the Moment (both in regrowth) & 2024: SURILANA Jannine, long wool) is all the proof needed to show that crew at *Suri Alliance* are serious about Suri.

Not only major players in the show circuit, *Suri Alliance*, alongside *Alpaca Exports International* & *Storybook Alpacas*, are heavily involved with live export and are proud to be the modern pioneers and beating hearts of the Australian alpaca fleece industry. Managing numerous annual animal and fleece shipments, the team at *Suri Alliance* are able to farm their alpacas on a full time basis.

Want to learn more about how you can supply us with animals or fleece? Or are interested in securing your next suri stud male? Come by the *Suri Alliance pens* and chat with Rubey!
